

How to Create an Account on Plug-It

1

If you are already on the login page (<https://area.alexandrejublot.com/login>) , you can simply click on "Create account". Then skip step 2, or go to step 2 if you aren't on that page.

2

Navigate to area-dev.alexandrejublot.com/signup

3

Fill the required informations.

4

Click on "SIGNUP"
